Relationships:
Which part of the restraining order don't you understand?!
A time hog -- pencil in only when my schedule isn't tight.
My old friend who's seen me at my best and worst. Schedule in whenever.
A neutral relationship. No particular issues to factor in.
Image is important. I must be at my best with this you.
I really enjoy being with you, the more the merrier.
The love of my life, I always have time for you.

☐ Days with lots of free time

☒ Business hours

☐ Any time except business hours

☐ Weekends

☐ Daytime

☐ Evening

☐ Any time

FIG. 10

The system sets these by default, but the user can adjust the settings.
Some are mutually exclusive. Any day, any time makes all others inactive.
Business hours and any time except business hours are mutually exclusive, too.
